

# Noah Cushion

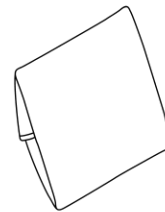

The Noah Cushion is designed to make the Noah Sofa even more comfortable. The combo of cushion and bolster allows for smart positioning, providing tailored support for both neck and back in different sitting positions – whether it's relaxing and leaning back or sitting upright. The cushions are made from only the highest quality, natural or recycled materials. For easy care, the covers can be removed and hand-washed.

- **Smart positioning**
- **Extra support**
- **Sustainable materials**
- **Natural & recycled materials**
- **Worldwide shipping**
