

# Noah Bed

The Noah Bed is designed to adapt to individual needs and promote healthy sleep. It is manufactured with care in Germany using 100% natural materials and combines sustainable durability with maximum flexibility. The bed frame is made of solid wood and can be paired with a Noah Headboard or Bed Table at any time. The Soft Headboards feature removable linen covers that can be easily swapped. Similarly, the solid headboard's linoleum panel can be detached, allowing for a change in color whenever desired. Furthermore, every single component of the bed can be repaired, exchanged and recycled, ensuring sustainability and low maintenance.
